The Club Barbados Resort And Spa

Jane and Marius Rubin

Are you yearning for a care free vacation on a sunny tropical island? Look no further and head to the all-inclusive *The Club Barbados, Resort and Spa*, a waterfront oasis on Barbados' Caribbean side.

Located next to the exclusive *Sandy Lane* resort, *The Club* features 161 guest rooms in three and four story buildings amidst tropical gardens, pools, lounges and restaurants. Accommodations range from garden-view rooms to oceanfront lofts and

suites. Many of the rooms were recently refurbished with glass enclosed showers and modern furniture.

The resort's waterfront consists of a sitting area slightly elevated above sea level and a small beach below. Sprawl into a lounge chair with a frozen piña colada and let the sun and breeze do their magic, or take a blissful nap under the shady almond and mahogany trees.

When the blue sea beckons, step down a few steps and enjoy a dip in the warm

Caribbean. If you prefer a larger beach, take a short walk along the shoreline to the beautiful beaches of *Sandy Lane* and *Paynes Bay*.

Take advantage of *The Club's* complimentary water sports and enjoy kayaking, sailing, snorkeling, water skiing, or a scenic boat ride along the shore.

Pamper yourself at the *Tranquility Spa*, a relaxing facility offering massages, body treatments, facials, and all salon services. (the spa and salon are not part of the all-

inclusive fee). There is also a well equipped gym to help you keep up with your exercise regimen.

All food and alcoholic beverages are included. The main dining venue, *Sunset Restaurant*, is located in an open air building with views of the sea and pool. Breakfast is a generous spread with all the trimmings, and the buffet lunch features salads, cold appetizers, hot dishes, grilled fish, chicken and burgers, and a selection of desserts. Wines, beer and cocktails complete the sumptuous lunch.

At night, the *Sunset Restaurant* features an elegant, à la carte dinner with several choices of starters and entrees, delicious desserts and, of course, spirits. The cuisine is international with some regional accents. A second restaurant, the colorfully decorated *Enid's*, specializes in authentic Bajan (Barbadian) cuisine, rich in flavors and spices.

After dinner, enjoy lively chats at the busy bar or dance the night away to the tunes of different nightly bands. Later, head to the piano bar for a night cap and a jolly sing along.

The resort attracts guests from all over the world who come to enjoy this tropical paradise.

Since Barbados is the gateway to many Caribbean cruises, *The Club* is also an ideal resort for a pre or post cruise vacation. www.theclubbarbados.com. Δ
